

PRAISE FOR *Making Peace with Herpes*

“...the definitive book on herpes. The myths are debunked, the information is clear and concise, and the treatment is simple. People with herpes are a silent majority and Scipio brings them a voice... Get educated – be part of the common sense revolution and read this book today.” – *Darcy Nybo, Writer*

“Christopher’s bold and direct approach is refreshing, as he writes with courage and a passion for the work that he does. He combines both the skills of a holistic viral and immune specialist and a deep intuition and understanding that can only come from personal experience. This book is a much needed contribution to the literature of sexual health.” – *S.A. Connon, PhD, Microbiologist.*

“...an honest look into the world of herpes... It tells some shocking truths about the miseducation of some health care professionals in properly diagnosing and treating this disease... will leave the reader, whether a herpes patient or not, more enlightened, more educated, less prejudiced and better able to see the truth about herpes...” – *Dr. Faizah Assad, MD*

Making Peace with Herpes is the most thought-provoking and original book ever written on the subject of herpes.

Christopher Scipio is one of the most experienced holistic practitioners treating the herpes virus. A homeopath and herbalist who hails from a long line of Caribbean natural healers, Scipio has during the last 15 years developed a very successful natural protocol for treating the herpes family of viruses.
